TripleBlind
End User License Agreement

TripleBlind offers digital privacy as a service so Licensees can share sensitive data and algorithms through encryption. TripleBlind does not maintain or share raw data or algorithms. The Software licensed in this Agreement is intended to include all the technical aspects of that encryption, which allow Licensees to collaborate and exchange their data and algorithms using the TripleBlind toolset.

This End User License Agreement (the "**Agreement**") is a binding agreement between Tripleblind, Inc. ("**Licensor**") and the person or entity identified at the bottom of the Agreement as licensee of the Software ("**Licensee**").

LICENSOR PROVIDES THE SOFTWARE SOLELY ON THE TERMS AND CONDITIONS OF THIS AGREEMENT AND ON THE CONDITION THAT LICENSEE ACCEPTS AND COMPLIES WITH THEM.

IF LICENSEE DOES NOT AGREE TO THIS AGREEMENT, NO LICENSE IS GRANTED AND LICENSEE MUST IMMEDIATELY ABSTAIN FROM AND/OR CEASE ANY USE, DOWNLOAD, INSTALLATION OR BENEFIT FROM THE SOFTWARE OR DOCUMENTATION.

THE LICENSE IS GRANTED ONLY FOR LEGITIMATE, AUTHORIZED USE OF THE SOFTWARE BY LICENSEE AS EXPRESSLY GRANTED IN THIS AGREEMENT. ANY OTHER USE (OR CLAIMED RIGHT, LICENSE OR USE) TO THE SOFTWARE IS PROHIBITED.

1. **Definitions.**

"Authorized Users" means the individuals identified on Schedule A as authorized to use the Software.

"Documentation" means user manuals, technical manuals, and any other materials provided by Licensor, in printed, electronic, or other form, that describe the installation, operation, use, or technical specifications of the Software.

"Intellectual Property Rights" means all registered and unregistered rights granted, applied for, or in existence at any time under or related to any patent, copyright, trademark, trade secret, database protection, or other intellectual property rights laws, and all similar or equivalent rights or forms of protection, in any part of the world.

"License Fees" means the license fees, including all related taxes, due or paid by Licensee for the license granted under this Agreement.

"Person" means an individual, corporation, partnership, joint venture, limited liability company, governmental authority, unincorporated organization, trust, association, or other entity.

"Software" means the algorithms, APIs, software programs, docker containers placed within the customer's firewall and system, and other technical products and services that create and support the encrypted, collaborative space and means by which Licensees collaborate and

exchange their data and algorithms using TripleBlind, for those Licensees set forth in Schedule A.

"Third Party" means any Person other than Licensee or Licensor.

2.   **License Grant**. Licensor grants to Licensee a non-exclusive, non-transferable, non-sublicensable, limited license for the Software and Documentation, subject to and conditioned upon payment of any License Fees and all other conditions, limitations and use restrictions in this Agreement, to:

    (a)   Install the Software (and any accompanying APIs or Documentation) as set forth on Schedule A.

    (b)   Use and run the Software in accordance with this Agreement and the Documentation, solely for Licensee's business purposes.

3.   **Use Restrictions**. Licensee shall not, and shall require its Authorized Users not to, directly or indirectly:

    (a)   use the Software or Documentation beyond the scope of the License Grant in this Agreement, in violation of TripleBlind's Privacy Policy or Terms of Use, or in violation of any law, regulation, rule or export control;

    (b)   provide any Third Party with access to or use of the Software or Documentation or some other form or version of the Software or Documentation, except as permitted in writing by Licensor (Licensee's use of cloud providers AWS, Google Cloud or Microsoft Azure to avail itself of the Software is not considered improper third-party "access" or "use");

    (c)   copy the Software or Documentation, in whole or in part, except as permitted in writing by Licensor;

    (d)   incorporate or combine the Software or any of its parts in or with any other programs;

    (e)   modify, translate, adapt, or otherwise create derivative works or improvements, whether or not patentable, of the Software or Documentation or any of their parts;

    (f)   reverse engineer, disassemble, decompile, decode, or otherwise attempt to derive or gain access to the source code of the Software or any of its parts;

    (g)   remove, delete, alter, or obscure any trademarks or any copyright, trademark, patent, or other intellectual property or proprietary rights notices provided on or with the Software or Documentation, or any copies of them; or

        (h)   use the Software or Documentation for purposes of competitive analysis of the Software, the development of a competing software product or service, or any other purpose that is to the Licensor's commercial disadvantage.

4.   **Licensee Responsibilities**. Licensee is responsible and liable for all uses of the Software and Documentation, and for enforcing the Use Restrictions in this Agreement. Licensee shall maintain a written record of the Authorized Users to whom it gives access to the Software and Documentation, and provide it to Licensor upon request. Licensee shall safeguard the Software from misappropriation, theft, misuse, unauthorized access, or intellectual property rights infringement, and shall be responsible for security patching to its systems. Licensee shall promptly notify Licensor if it becomes aware of any such event, and assist Licensor in stopping or remedying such event.

5.   **Intellectual Property Rights**. Licensee acknowledges and agrees that the Software and Documentation are provided under license, and not sold, to Licensee. Licensee does not acquire any ownership interest or other rights in the Software or Documentation under this Agreement, other than the use granted by the License under this Agreement. Licensor reserves and shall retain its entire right, title, and interest in and to the Software and all Intellectual Property Rights arising out of or relating to the Software, except as expressly granted to the Licensee in this Agreement.

6.   **Payment**. Licensee shall pay all License Fees as set forth on Schedule A. The License is conditioned upon such payment.

7.   **Term and Termination**. This Agreement is effective for the term set forth on Schedule A (the "**Term**"). Licensor may immediately terminate this Agreement at any time if it determines that Licensee has permitted access or use of the Software outside the scope of the License Grant or in violation of the Use Restrictions, or has otherwise failed to meet the Licensee Responsibilities or payment obligations set forth in this Agreement. Upon expiration or earlier termination of this Agreement, the License shall terminate, and Licensee shall cease using and make arrangements with Licensor for the prompt return or destruction of the Software and Documentation. No expiration or termination shall affect Licensee's obligation to pay all Licensee Fees previously due, nor entitle Licensee to any refund.

8.   **Hold Harmless and Indemnify**. If Licensee's failure to abide by its Use Restriction, Licensee Responsibilities or Intellectual Property Rights obligations under this Agreement gives rise to a claim, loss or damages against Licensor, Licensee shall hold harmless and indemnify Licensor for the defense and liability for such claim, loss or damages.

9.   **Warranty**. TripleBlind's encryption process allows a Licensee to share an encrypted representation of its data with another Licensee without transferring or giving access to the actual raw data. TripleBlind never takes possession of that raw data. TripleBlind warrants that its algorithmic encryption of the raw data will not permit a Third Party access to such raw data, provided that Licensee adheres to the License, Use Restrictions, and Licensee Responsibilities set forth in this Agreement.

IN NO EVENT SHALL THE LIABILITY OF LICENSOR (INCLUDING THAT OF ITS AGENTS, AFFILIATES AND SERVICE PROVIDERS) EXCEED THE TOTAL AMOUNT PAID TO THE LICENSOR PURSUANT TO THIS AGREEMENT FOR THE SOFTWARE.

THE LIMITATIONS OF LIABILITY SHALL APPLY EVEN IF THE LICENSEE'S REMEDIES UNDER THIS AGREEMENT FAIL OF THEIR ESSENTIAL PURPOSE.

11. **Force Majeure**. 12. **No Delegation of Licensee Rights**. Licensee shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement, in each case whether voluntarily, involuntarily, by operation of law, or otherwise, without Licensor's prior written consent, which consent Licensor may give or withhold in its sole discretion.

13. **Modification**. This Agreement may only be amended, modified, or supplemented by an agreement in writing signed by each party. No waiver shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver; nor shall any single or partial exercise of any right, remedy, power, or privilege preclude any other or further exercise of any other right, remedy, power, or privilege.

14. **Severability**. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

15. **Governing Law and Forum**. All matters arising out of or relating to this Agreement shall be governed by and construed in accordance with the laws of the State of Missouri without giving effect to any choice or conflict of law provision or rule. Any legal suit, action, or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be instituted in the federal courts of the United States of America or the courts of the State of Missouri in each case located in Jackson County, Missouri. Each party irrevocably submits to the jurisdiction of such courts in any such legal suit, action, or proceeding. Service of process, summons, notice, or other document by mail to such party's address set forth herein shall be effective service of process for any suit, action, or other proceeding brought in any such court.

16. **Entire Agreement**. This Agreement, together with Schedule A, constitutes the sole and entire agreement between Licensee and Licensor with respect to the License, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.
